

Nimbus Cloud Storage — Product Policy Document

Return Policy

Customers may return any Nimbus Cloud Storage hardware device within 45 days of the original purchase date for a full refund. The device must be returned in its original packaging with all accessories included. Refunds are processed within 7 business days after the returned item is received at the warehouse. A return shipping label is provided free of charge for all returns within the 45-day window.

Warranty Coverage

All Nimbus Cloud Storage devices come with a standard 2-year limited warranty covering manufacturing defects. The warranty does not cover accidental damage, water damage, or damage caused by unauthorized repairs. Extended warranty plans of up to 4 additional years can be purchased separately within 30 days of the original purchase.

Subscription Pricing

The Nimbus Cloud Storage subscription costs 9.99 USD per month for 2 terabytes of storage, or 19.99 USD per month for 5 terabytes of storage. Annual billing gives customers a 20 percent discount compared to monthly billing. There is no free trial period, but new customers receive 15 gigabytes of storage permanently free of charge without a subscription.

Customer Support

Customer support is available via live chat and email from Monday to Friday, 9 AM to 6 PM Eastern Time. Priority phone support is included only in the 5-terabyte plan. The average first-response time for email tickets is 4 hours during business days.
